MAKING A DIFFERENCE TO THE SOCIETY WE LIVE IN.

"To provide support to the communities where we exist and operate" is one of e4e's corporate values. e4e is among the early corporate leaders in India to actively support corporate social responsibility initiatives.

As part of the continuing commitment to support local communities, e4e has endorsed and sponsored Bhoomika Trust's 'True Gifts' programme. 'True Gifts', a donation-based gift program links donor contributions with NGO program needs. "True Gifts" enables you to get a meaningful gift for special occasions like birthdays, anniversaries, weddings, while continuing to give a special gift that helps the lives of others.

'True Gifts' is a program from Bhoomika Trust, a charitable trust based in Chennai. The trust provides educational assistance to underprivileged students, livelihood support programmes for needy individuals, relief and rehabilitation support programmes, and supports organizations that support people with disabilities.

Similarly, e4e has also been supporting 'Karuna Mother's Home'.

Since 2003, we have supported the needs of this orphanage by providing food, utensils, clothes, bedding, toys, and stationery. Over the last couple of years we have been celebrating Diwali and Christmas with the children of this home, taking them out on excursions and organizing games for them – hoping to make a difference in their lives and bring a smile to their faces.

If you are interested in knowing more about e4e's CSR programmes and would like to support these causes, please contact your ER for more information.
